You are responsible for reviewing the current Terms and Conditions before making each Booking. For confirmed Bookings, the Terms in effect at the time of booking will apply.

D. Online Booking Engine

20. Website offers an Online Booking Engine that allows you to make a Booking for a parking space at Newcastle Airport, based on the Booking Period and car park selected by you. You guarantee that all the information provided when using the Online Booking Engine is accurate, complete and genuine at the time of the booking.
21. Your Booking is not confirmed until full payment is received and a booking confirmation email containing your unique booking reference number is issued. It is your responsibility to ensure that the email address and contact details provided at the time of booking are accurate and that your email account is operational.
22. Newcastle Airport has the right to limit the number of reservations made by any individual and restrict the number of parking spaces available for online bookings at any time, modify or withdraw the Online Booking Engine without prior notice.
23. We make no guarantees that the Online Booking Engine, Software, or Website will perform any function for which it is not intended.
24. The Online Booking Engine, the Software, or the Website will provide any minimum level of performance; ii) be free of viruses, performance abnormalities, or interruptions; iii) be always available for use; and iv) be free from other conditions that could jeopardise their proper operation.
25. Unless otherwise specified in these Terms and Conditions, you agree that you will not use the Online Booking Engine for any other purpose other than to make a Booking or to manage your Booking or Booking Details and you acknowledge that your use of the Online Booking Engine for any other purpose is not permitted.

26. You guarantee to us that you did not rely on any representation we made to you when you entered the Online Booking Engine or the Website.
27. We make no representations or warranties of any kind, express or implied, as to the operation of your access to or the results of your access to the Software, the Online Booking Engine, or the Website (including any related or linked websites), or the correctness, accuracy, timeliness, or completeness or reliability of the information or content included on the Website, except as expressly provided to the contrary in these Terms and Conditions and to the extent permitted by law.
28. You accept that using the Online Booking Engine for any other reason than to make a reservation or manage your reservation or reservation details is not permitted.

E. No resale

29. You acknowledge that without our prior written consent, you will not resell or market any Booking, either alone or bundled with other goods or services.

F. Fees, Payment and Promotions

30. The booking fee is only fixed after you complete your booking and is expressed by the Online Booking Engine in Australian dollars and inclusive of GST. Prior to completing the Booking, the quoted costs may change.
31. You authorise us to charge your credit card for the Booking and all related fees when you provide us with your credit card information to complete your Booking. You will also be charged a credit card or debit card payment fee which will be a small percentage of your parking fee and reflects our cost in processing your payment. The fee varies depending on the payment method and is set as follows: Visa – 0.55%, Mastercard – 0.55% and American Express – 1.81%.
32. Daily fees are determined in 24-hour increments. The cost for 24 hours is the minimum charge even if you do not use the parking space for the full 24-hour period.
33. Due to limited availability of parking spaces in the car parks, any discounts and promotions are also subject to change, amendment, or cancellation at any time and without advance notice. Spaces that are already subject to a Booking are excluded from the offer.
34. Promotional discounts are limited to allocated spaces and cannot be used in conjunction with other offers unless explicitly stated. Misuse of promotional codes may result in cancellation of a Booking without refund.
35. Promotional codes are valid only for the Booking dates specified in the promotional offer. If you amend or change your Booking after the promotional validity period has ended, the original discount may no longer apply, and the amended Booking will be subject to the rates available at the time of the amendment.

36. The Online Booking Engine may not always offer all the specials that are offered at Newcastle Airport. Alternatively, certain deals could be restricted to the Online Booking Engine and not available at the Newcastle Airport site.

G. Booking Period & Car Parks

37. No refunds will be issued for exiting earlier than your Booking Period.

38. One entry and one exit are permitted during the Booking Period.

39. If your Vehicle remains in the Car Park outside of the nominated Booking Period (including arriving prior to the booked entry time or exiting after the booked exit time), you will be charged for the additional time at the **drive-up rates applicable to that car park**, as displayed on the Tariff Boards at the car park entry. These rates may differ from those available on the Online Booking Engine at the time of your reservation.

40. Overstay charges will be calculated automatically and payable at the exit gate. You may view your total charge at the payment terminal prior to exiting. Overstay charges will be calculated based on the total duration your Vehicle remains beyond the booked exit time, not as an extension to your current booking period. For example:

- If your stay extends by 24 hours, you will be charged the applicable **24-hour drive-up rate**.
- If you overstay by **7 days**, you will be charged the **total drive-up rate for the 7 days**.

41. All overstay charges will be applied in accordance with the prevailing drive-up rates in effect at the time of the overstay.

42. For online Bookings, a 4-hour grace period is allowed after the nominated booked exit time. Charges apply if these limits are exceeded. We may vary the grace period from time to time by notice on our Website.

43. For online bookings, entry is allowed 2 hours before and after the nominated booked entry date. Earlier entry may incur drive-up rates for the duration of overstay period. We may vary the above period from time to time by notice on our Website.

44. If you park in a different car park than booked, you will be charged the drive-up rate for the car park used. No refund or credit will apply.

45. If you fail to enter the car park **on the nominated booked entry day**, your Booking may be considered a **no show**, and you may not be entitled to a refund. Entry after this time may be charged at the applicable **drive-up rate**.

46. Maximum Booking Period is 99 days.

H. Arrival and Exit at the Car Park

47. Upon arrival at the car park, your Vehicle's licence plate may be read using automatic licence plate recognition (LPR) technology. If the registration number matched the details provided at the time of booking, the system will automatically grant access.
48. If your licence plate cannot be read or recognised, you must insert or tap the same physical credit card used for your Booking (or the credit card nominated at the time of making your Booking) into the credit card reader at the entry gate.
49. Important: Digital wallets such as Apple Pay or Google Pay may not be recognised as valid, as they generate a different card identifier. Using a digital version of your nominated card may result in drive-up rates being charged instead of your agreed Booking fee and you will not be entitled to a refund or adjustment. You agree to accept this risk if you use a digital wallet to pay.
50. When exiting the Car Park, the same process will apply. The system will attempt to read your licence plate. If unsuccessful, you must again use the same physical credit card used for your Booking (or the credit card nominated at the time of making your Booking) into the credit card reader.
51. If you use a credit card other than the one nominated at the time of the Booking, including a digital wallet version of that card, your booking may not be recognised. In this case, drive-up rates will apply for the duration of your stay, and you will not be entitled to a refund or adjustment. You agree to accept this risk if you use a different credit card than the one nominated at the time of the Booking.

I. Vehicle/Large Vehicle/Heavy Vehicles

52. All Vehicles must be able to use one 5.4 x 2.4 metre standard car park; a height restriction of 3.5 meters applies.

J. Car Park Capacity

53. If the parking space you were allotted in your reservation fills before you arrive, we will use reasonable efforts to allocate a space in an alternative Car Park at **no additional cost**. If the replacement Car Park is of lower value, we will refund the price difference. If no space is available, you will receive a **full refund**.

K. Cancellations, Amendments and Refunds

54. Cancellations and amendments may be made to your Booking by clicking "Manage my Booking" and selecting the relevant option/s in the Online Booking Engine.
55. You may cancel your Booking at any time up to 2 hours before the commencement of the Booking Period.

56. There are no refunds for cancellations made less than 2 hours before the commencement of the Booking Period.
57. You may amend your Booking up to 2 hours prior to your intended arrival at the Car Park.
58. If you request to amend or modify your Booking, your selected Car Park and rate are subject to availability at the time the amendment is made. Where your originally booked Car Park or product (including promotional or limited-availability products such as the Mystery Car Park) is no longer available, you may be required to select an alternative Car Park. In such circumstances, the applicable Fees will be recalculated based on the rates available at the time of the amendment and may be higher or lower than your original Booking Fees. Any amendment is not confirmed until the revised Booking Details and Fees have been accepted, and payment has been made (if required).

L. Your Responsibility Regarding Airline Check-in

59. You are responsible for allowing sufficient time for:

- Parking;
- Terminal access; and
- Check-in procedures.

We are not liable for **missed flights** due to traffic, congestion, or delays accessing your booked parking area.

M. Flight Cancellations

60. In the event that your flight is delayed or cancelled, your Booking remains subject to the Terms and Conditions that applied at the time of Booking. Newcastle Airport is not responsible for flight changes or cancellations, and no refunds will be issued for unused portions of your booking due to airline schedule disruptions, unless required by law.
61. You are responsible for allowing sufficient time for traffic, parking, and check-in. If your travel plans change, you may amend or cancel your booking in accordance with Section K.
62. Where the change occurs within a non-refundable period, or you do not attend the car park, the booking will be treated as a no-show and charges will still apply.

N. CCTV and Vehicle Security

63. Car parks are monitored via **CCTV** for general safety and security. However, this monitoring is **not for tracking individual Vehicles**, and you park at your **own risk**. Please **do not leave valuables** in your Vehicle. We are not responsible for loss of valuables or any damage to your Vehicle.

O. Limitation of Liability

64. Subject to your rights under the **Australian Consumer Law**, Newcastle Airport's liability for any Booking issue is limited to **a refund of the amount paid for the affected Booking**.
65. We do not guarantee the time to find a parking space or travel time to terminals. We are **not liable for missed flights** due to any delay in locating parking or accessing terminals.

70. By using the Online Booking Engine, the Website, any content on or accessible through the Website, any Booking you make using the Online Booking Engine, or by using the Car Park, you agree to assume all risks and responsibility for any loss, damage, costs, and other repercussions.

Whether or not caused or contributed to by any negligent act or omission, we will not be liable for any loss or damage (including indirect, special, or consequential loss or damage) resulting from the use of, inability to use, or reliance on the content or information available on or accessible through the Online Booking Engine or the Website, including but not limited to:
 - i) Your reliance on the Online Booking Engine, the Software, or the Website; the remarks or actions of any of our employees or agents; any unauthorised access to or alteration of your transmissions or data; any information sent or received or not sent or received; any failure to store or loss of data or files or other content; and any delay or interruption of the Online Booking Engine.
72. To the fullest extent allowed by law, we will not be liable for any loss, damage, injury, or death you may suffer, or that of any other person or property, resulting from or connected in any way to any Booking, even if we have been informed of the possibility of such damage and regardless of whether it was brought on by any negligent act or omission.

P. Release and Indemnity

73. You consent to release, hold harmless, indemnify, and maintain in indemnity us, as well as our officers, directors, shareholders, employees, consultants, agents, and related bodies corporate from and against any and all losses, damages, expenses, and costs incurred by you (including, on a full indemnity basis, legal fees), as well as any and all third-party claims, liability, losses, damages, expenses, and costs resulting from any claim, demand, suit, action, or proceeding by any person in.
